# They Want Roads!

A month ago the Municipalities of Alsancak, Lapta and North West Development did a protest for the double road lane project to be put into action.

The protestors gathered at the Yavuz Cikartma Beach Area and occupied the road for half an hour.

Due to the closure of the road, the protestors, police and the citizens had minor arguments throughout the time of the protest.

The protest was supported by the Mayor of Lapta Mustafa Aktug, Mayor of Alsancak Firat Ataser and citizens from Alsancak, Lapta, Karsiyaka, Camlibel, and Tepebasi, also the non-governmental organization, associations and sports clubs supported the ongoing protest.

# They Want Roads!

A month ago the Municipalities of Alsancak, Lapta and North West Development did a protest for the double road lane project to be put into action.

The protestors gathered at the Yavuz Cikartma Beach Area and occupied the road for half an hour.

Due to the closure of the road, the protestors, police and the citizens had minor arguments throughout the time of the protest.

The protest was supported by the Mayor of Lapta Mustafa Aktug, Mayor

of Alsancak Firat Ataser and citizens from Alsancak, Lapta, Karsiyaka, Camlibel, and Tepebasi, also the non-governmental organization, associations and sports clubs supported the ongoing protest.

The Mayor of Alsancak Firat Ataser said, in 2017 the municipality did technical investigations and studies

on the road and come across technical infrastructure problems and expropriations related to the project.

Ataser also noted that both municipalities are ready to cooperate with the ministry in order to enforce the project and that the government and the ministry had been unresponsive to all demands and calls to this day.

# Ataser, “All Necessary Measures Will Be Taken.”

Mayor of Alsancak District, Ataser : “All necessary measures will be taken about the stream beds.”

After the last flood, Municipality of Alsancak has started works on the improvement of the stream beds in the area and for them to reach the sea.

Mayor of Alsancak District, Firat Ataser gave information to the Ministry of Public Works and Transport mayor Tolga Atakan.

According to the information given by the Municipality of Alsancak, the Ministry of Public Works and Transport Mayor Tolga Atakan went to Alsancak to see the improvements made to the stream beds and also to exchanged information on what else could be done at the problematic areas.

Ataser “A disaster took place in our district, in order to prevent similar disasters we have started our work to take necessary steps immediately from the first day.

In this context, some bridges and roads had to be rebuilt, we immediately demolished the bridges that caused the problems.

As our Minister can see, today we have started working to make new ones.

Minister Atakan said they would give all the support they can as a Ministry to eliminate the problematic areas.

## Ataser; Do Not Invest Before Taking The Municipality's Opinion

**Warning from Ataser: “We will not take responsibility for the investments that are done without the opinion of the Municipality.”**

Alsancak Mayor Ataser announced that they will not take responsibility of the institutions and organisations that want to invest within the boundaries of the municipality or take a step without taking the opinion of the Municipality.

Alsancak Mayor Firat Ataser announced on his

personal social media account that he would not take responsibility for the investments that are been done without the Municipality's opinion by calling to the institutions and organisations that want to invest within the borders of Alsancak Municipality. Ataser gave the following state-

ments in his description:

“Alsancak Municipality will not take responsibilities of the people, institutions, organisations that are willing to invest without taking the opinion of the Municipality for their investment within the boundaries of Alsancak. I wish you success in your work.”

# “Smart Park” Implementation Started in Alsancak National Park

With the protocol recently signed with the cooperation of Alsancak Municipality and TRNC Telsim, the “Smart Park” implementation was enabled in Alsancak National Park.

According to the information given by the Municipality of Alsancak, for the National Park to be turned into a Smart Park, recently a protocol was signed with the TRNC Telsim.

Ataser stated that with the protocol to be implemented with Telsim, the National Park will serve all its guests as a Smart Park and thanked Telsim for the cooperation.

TRNC Telsim General Manager Cenk Alper, said that the island's first Smart Park implementation has started in cooperation with the Municipality of Alsancak. The Smart Park will provide wifi service to the citizens and a security system will be set to secure the public.

Alper said that they will implement smart lighting and irrigation systems in the near future.

## Foreign Nationals visit Mayor Ataser

Ataser accepts foreign nationals residents of Alsancak.

Alsancak Mayor Firat Ataser hosted foreign citizens residing in Alsancak in his office.

According to the information given by the Municipality of Alsancak, foreign citizens living in Alsancak and environmentally friendly citizens are supporting cleaning by organising cleaning campaigns. The mayor of Alsancak, Ataser, thanked the citizens for their contributions to the development and cleaning of the region.

# Second-Hand Store in Alsancak

Alsancak Mare Monte Lions Club opened a second-hand store in the Alsancak Municipality Bayram Özmertdaş Closed Market.

Alsancak Municipality Bayram Özmertdaş Closed Market was recently opened to the service for the people of the region which was opened by the Alsancak Mare Monte Lions Club.

The opening of the store was held by the Mayor of Alsancak, Fırat Ataser. Ataser in his opening speech of the store wished it to be beneficial to the people of the region.

# Enthusiasm At The Necat British College “Science Fair”

The opening ceremony of the 5th Science Fair in Necat British College building was held by the mayor of Alsancak, Firat Ataser, and Necat British College directors, Selen Necat and Nilay Necat.

After the opening of the fair, the visitors visited the stands and examined the students' projects and received information about the studies. The projects attracted great attention by asking the students questions as they are scientists, observing, designing the research, saving the data and making conclusions.

Nilay Necat one of the directors of NBC, in her speech at the opening of the Science Fair, she thanked all teachers and students for their efforts and emphasised that their aim was to educate individuals who thought scientifically, were aware of universal problems and produced solutions to these problems.

The projects created by the ideas of the students and with the support of the counselor teachers were interesting and the result of the creative research was followed by other students with interest.
