The Mayor of Kyrenia Nidai Güngördü said the tender was won by Ciddi Mutfak Ltd in line with the decision taken by the municipality tender commission and the city council. Nidai Güngördü, wished the company the best of luck. The furniture works will start when the tender is signed and will be completed in 105 calendar days.

Arabacı: We are honored to do business with the municipality

In her speech, Ciddi Mutfak Ltd Director Amber Ciddi Arabacı said, "We are pleased that the result of the tender concluded by us about the purchase of the new service building furniture of Kyrenia Municipality. Many thanks to the mayor and members of the Mu-

nicipality of Kyrenia for their healthy tender process. As known, we are the

first carpenters of Kyrenia. Serving our region in this sense also honors us. The

new service building would be better for the Kyrenia locals."

Employees are trained in English

English language training for municipal employees in the Kyrenia Region has begun.

Within the scope of the "Transfer Station and Improved Waste Manage-

ment Services" project carried out by the Municipality of Kyrenia, Çatalköy Municipality, Lapta Municipality and Alsancak Municipality, English language training is given to the

employees. 63 employees will benefit from the Eight weeks of English language course. Within the scope of the project, basic communication skills, organisational skills, local and European Union environmental safety legislation trainings will also be held for the employees.

With Transfer Station and Improved Waste Management Services project; the aims are to improve the efficiency and quality of waste collection services in the region. With the completion of the project, significant progress is expected in solid waste management and the reduction of solid waste in society.

Within the scope of capacity building activities, awareness studies, trainings and seminars planned for the purpose of complementarity with the objectives in the project have been planned and implemented. In the scope of the project, activities to contribute to the establishment of a strategic plan for the effective

management of the entire region and collective action for the Kyrenia Region were organised, information was gathered and the strategic plan of the region is being prepared.
