Electric bicycle period in Kyrenia Municipality

Municipality of Kyrenia bought two electric bicycles to the City Police Department in order to respond to the events more quickly.

In the information given from Kyrenia Municipality; it was stated that the electric bicycle team started its duty in Kyrenia, which facilitates mobility and enables more comfortable intervention to the events in closed areas. It has been noted that the rechargeable bicycles, which operate entirely with environmentally friendly technology, are intended to be used in order to respond to the events in areas closed to traffic and pedestrians that are used more frequently by the police.

It is noted that it is intended to be used in order to respond to events more quickly.

Kyrenia Municipality is the first to start this application

Nidai Güngördü, the Mayor of Kyrenia, who made a statement on the subject; "Now we will serve in our cycling teams beside our motorbike crews in Kyrenia traffic," he said. Expressing that electric bicycles are more comfortable to use and more convenient to intervene in a possible event, Güngördü said, "The vehicles that

are environmentally friendly due to their electricity have been implemented by us for the first time in the Municipality of Northern Cyprus. I wish Kyrenia good luck."

Curb stones were painted on High Way

Border painting and renovation has work started

Border painting and renovation works were initiated in various streets and avenues of the city in Kyrenia.

In order to ensure traffic and pedestrian safety within the program, Kyrenia Municipality initiated border painting, parking for disabled people and renovation works on various streets and avenues of the city.

According to the information given

by Kyrenia Municipality; it was noted that Bel-Paz teams affiliated to the Municipality will carry out painting of the roundabouts and along the road on Karaoğlanoğlu Street, while such works will continue throughout the city.

Within the scope of the works, the disabled parking area at the entrance of Bellapais Monastery was renewed.

On the Kyrenia high way, on the double lane road divided by the median, after the grass cleaning, tree trimming and routine road sweeping and garbage collection works carried out by the municipal cleaning teams, painting border curbs was carried out as well. According to the statement made by the Municipality of Kyrenia, Mayor of Kyrenia Nidai Güngördü stated that they have intensified their work for a cleaner, safer and livable Kyrenia, and they have accelerated their work to paint all pedestrian crossings throughout the city. Güngördü said that on the Kyrenia High Way, which is under the responsibility of the Highways Department but cannot be cleaned due to impossibilities, the visibility of the drivers is blocked and there is a visual pollution due to the growth of grass and trees on the side of the auto rails. Stating that they have intensified their work for a cleaner, safer and livable Kyrenia, Güngördü stated that they have speeded up the work of painting all the pedestrian crossings throughout the city and asked for the drivers to be sensitive and careful to the municipal employees during to their work.

Kyrenia Municipality Park Gardens Department works continuously

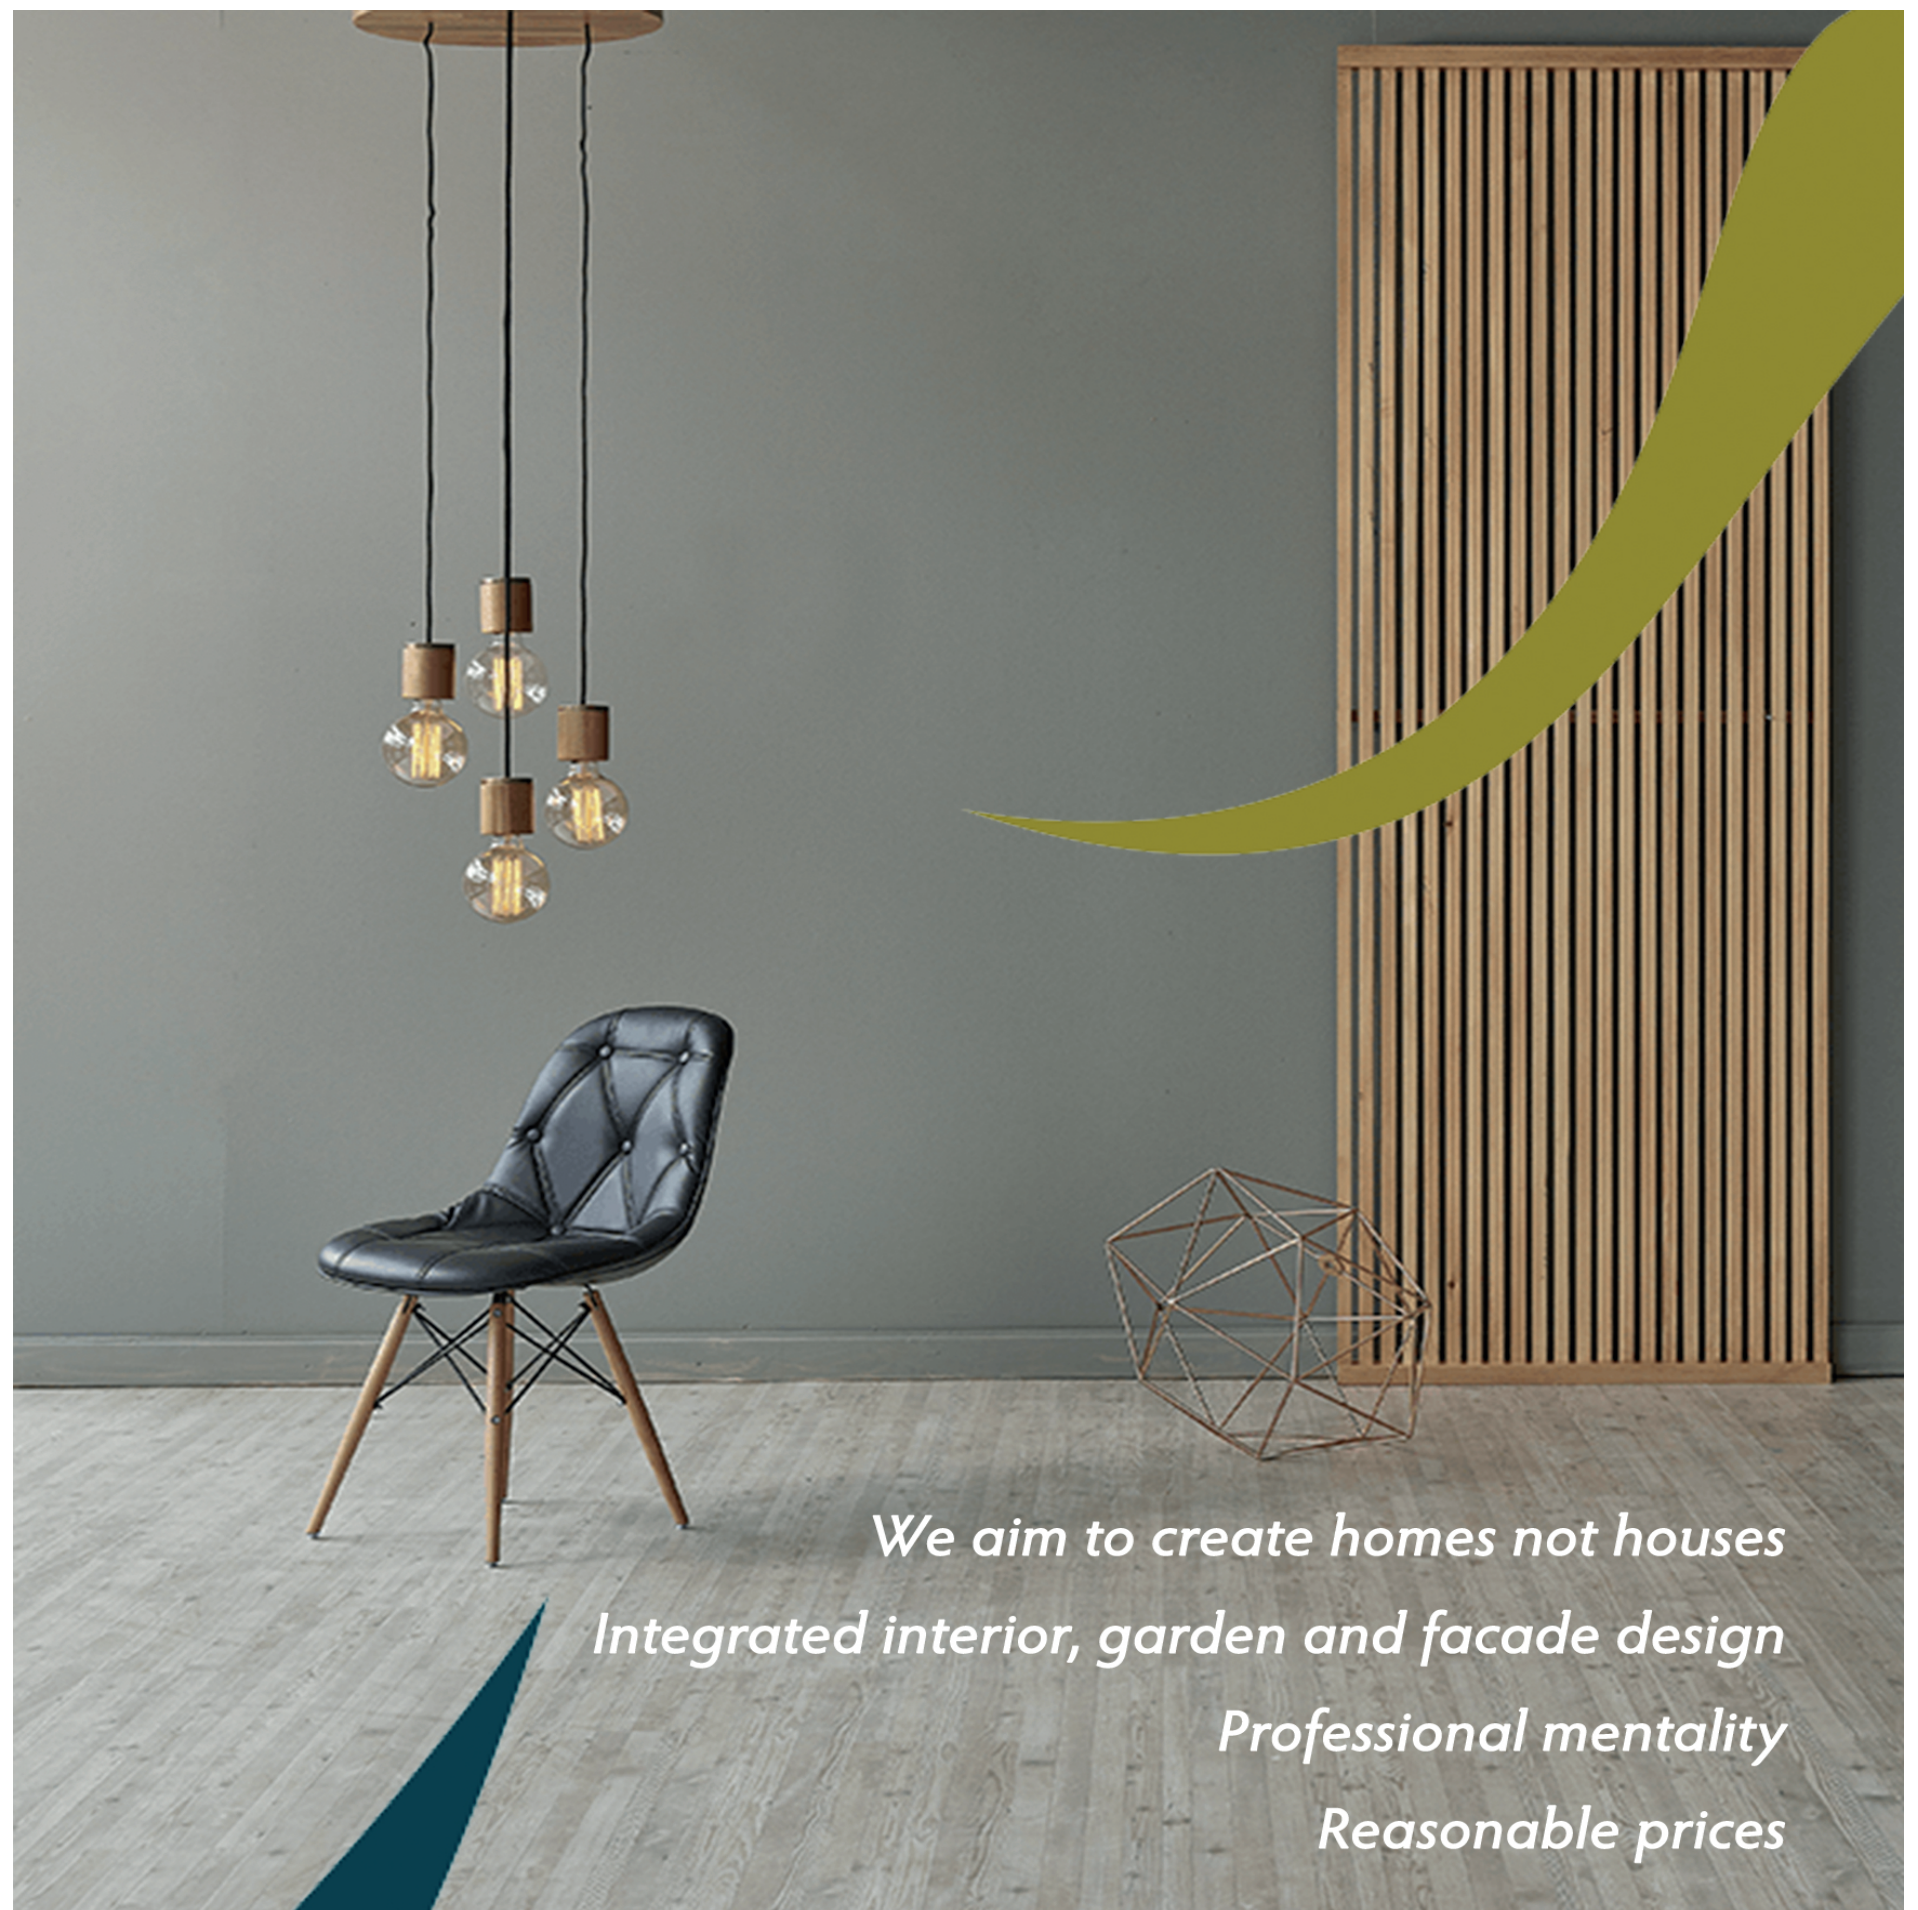

Kyrenia Municipality Park Gardens Department continues its maintenance and cleaning works in playgrounds and green areas.

According to the information given by the Municipality of Kyrenia, with the end of the pandemic period, all the teams started to work and the cleaning works continued in the city roads as well as cemeteries, playgrounds, green areas and side streets.

Within the scope of Corona virus measures, citizens and children, who have been isolated from social life and streets for more than two months, have entered a period of normalization from the 1st of June. According to the statement made by the Municipality, in order to provide a cleaner and healthier environment for children and citizens, in addition to the renovation and cleaning works initiated in parks and green areas, the continuation of cleaning and disinfection works in the parks and playgrounds throughout the city in order to allow children to spend time in a healthier and hygienic environment will continue.

Kyrenia Municipality Terminal Branch has started to serve again

Girne Municipality Terminal Branch, which has not been serving for a while within the framework of

Corona virus measures, has started to serve again. In the information given from Girne Municipality; It has been noted that transactions such as water meter, credit loading and card identification procedures, meter repair, water debt payment, real estate tax and debt inquiry belonging to the municipality can be done from this branch as of June 17, 2020.

The exhibition “Pandemia in Art” was held

The exhibition called “Pandemia in Art” by artist Salih Mustafa Çizel was held between 15-24 June at the Art Gallery (Old Transformer Building) of Kyrenia Municipality.

Kyrenia Mayor Nidai Güngördü, who curated the exhibition opening by Ahmet Savaş Kale, in his opening speech; He underlined that life continues, regardless of how important it is to produce during the Coronavirus epidemic, which affects the world. Noting that there is no need to say much about Salih Çizel because he is a lover of Cyprus and Kyrenia, Güngördü emphasized that he knew a debt to Mr. Salih Çizel for the values he added to our country and art life.

Salih Mustafa Çizel, in his opening speech said; “I would like to thank my art-loving friends who came to the opening of my exhibition (by respecting distance and rules). In my 37th solo exhibition, I have processed pandemic interactive reflections with colors. Despite the terrible explanation of this word found in our knowledge, his artistic influence response was suddenly shaped by the connotation, the sea waves, and I was proud to see my works that I made in a time when we were struggling with such a terrible global pandemic.”

Güngördü Greeted the Artist Trautmann

Kyrenia Mayor Nidai Güngördü greeted Heidi Trautmann, who lives in Northern Cyprus. In the greeting, Trautmann presented her books to Güngördü.

According to the information given by the Municipality of Kyrenia, Heidi Trautmann said that Kyrenia Municipality was a successful city in terms of culture and art. Taking into consideration the densities in the city, Trautmann expressed her gratitude to Güngördü; the Mayor of Kyrenia.

Kyrenia Mayor Nidai Güngördü emphasized that Heidi Trautmann, who came to Cyprus in 1999, followed the artistic activities in TRNC and that the artists in Northern Cyprus played a big role in meeting the foreigners living here. Güngördü thanked Trautmann and wished her continued success.
